

**FOREST CITY GEAR STAYS AHEAD OF THE GAME - WE REINVEST**

**“Our customers benefit from our Reinvestment.**  
This Gleason 2008 P500 ES allows us to maintain the tight tolerances that our customers demand. Due to direct drive spindles and electronic helical guide capability, we maintain part to part flexibility and high productivity.”

**Jared Lyford**  
Production Manager

**Jeff Hallberg**  
Supervisor of Shaping and Large Hobbing
